

Orange County ACM SIGCHI

Monthly meeting

April 17, 2003, 5-7:00 PM

Held at Unisys in Mission Viejo

Field Trip: Tour of the Unisys User-Centered Design (UCD) Facility

OCCHI is taking a road trip to the Unisys UCD facility. Mimi Brown will give us a brief history of the lab, show us how it is being used and answer questions about the technology used.

This is a great opportunity to share stories and find out what industry is doing to improve Human-Computer Interaction. Please bring your questions and be prepared to have a good time.

The meeting is free and open to anyone.

To RSVP, send email to mimi.brown@unisys.com

UNISYS

25725 Jeronimo
Mission Viejo, CA 92691

Cross streets: Obrero and Jeronimo
Driving instructions on the back

The meeting is free and open to anyone.

To RSVP, send email to mimi.brown@unisys.com

OCCHI

OCCHI has monthly gatherings offering presentations, panels, and demonstrations. Anyone is welcome to join. Membership in any other organization, national ACM or national SIGCHI, is **not** required. Current members include a wide variety of professionals with a common interest in human-computer interaction. They are interface designers, graphic designers, usability engineers, research scientists, psychologists, technical writers and software engineers. They work in large and small companies and universities. They are students, professors, independent consultants, and corporate employees. To become a member, visit our web sit at http://groups.yahoo.com/group/OC_CHI/ and subscribe.
