

Orange County ACM SIGCHI

Monthly meeting

September 18, 2003, 5:30-7:00 PM

Held at CUDA in Long Beach

Field Trip: Tour of the Cal State Long Beach Center for Usability in Design and Assessment (CUDA)

OCCHI is taking a road trip to the CSLB CUDA facility. CUDA is an official usability research and testing center on the campus of California State University, Long Beach. Our purpose is to help you evaluate the usability of your technology tools and products before you make costly investments of time, money, and other resources.

Please note that parking will be limited. In order to get parking we must notify them with the names of the drivers of the cars coming. Please respond by Thursday, September 18 with the names of drivers and the number of people you will be bringing to assure a parking space is available. The meeting will begin promptly at 5:30pm.

The meeting is free and open to anyone.

To RSVP, send email to Chris Jensen at acm_occhi2002@yahoo.com
